The Goleta Valley Library

The Goleta Valley Library is one of our community's most important institutions.

Besides books, the Library offers Children and Adult programs, computer services and Internet access, CDs, DVDs, Books- on-CDs and e-books, newspapers and magazines, and more.

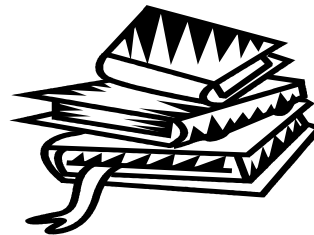

More than 1,000 people visit the Goleta Valley library every day. The library changes lives – giving people new skills and new ideas, as well as the chance to discover the joys of reading.

The Friends raise funds through membership and book sales to keep the library services at the level our community needs.
